Pakistan Adoption Program

REQUIREMENTS:

- Single parents or married couples can adopt a child from Pakistan;
- Single parents must be at least thirty years of age.
- Previous marriages are permissible.
- Other children in the home are acceptable.
- Christian families only.

HIGHLIGHTS:

- Infants are available for adoption.
- Healthy children are available for adoption with no "waiting list".
- One trip is required and both parents must travel.
- Required to finalize the adoption in the US

ADOPTION PROCESS:

The Adoptive Families arrive in Islamabad and our facilitator meets you at the airport. You will meet the child you wish to adopt same day or next day after your arrival.

The Adoptive Family applies for the Deed of adoption on next day of arrival in Islamabad and will receive a Publication notice. Next step is to file the documents to the court and get the hearing date. This will take up to 15 days. Once you get the documents from the court you are ready to apply for the child's visa (US Embassy in Islamabad), and it normally takes up to 5 days. Both, the Court and Embassy process takes up to 25 days.
