Partner Program:

Christian World Adoption, Children's Home Society & Family Services

Open your heart and your home to a child from the Ukraine. Caucasian boys and girls available; 18 months old and up.

Requires one three to four-week trip to Ukraine, or two shorter trips.

There are multiple visits with child before the court process. Parents travel to orphanages to visit identified children available for adoption. Orphanage care varies greatly as do cost. Concerns about prenatal exposure to drugs and alcohol.

Married couples eligible. Married couples must be married two years. Ages 24-49, and in good health.

Families receive medical information on child while in Ukraine.

Process is usually under 14 months.
