Thank you very much for your kind inquiries about her.

If you are still interested to adopt in Mexico through our Private Adoption Program, we have three new birthmothers that recently joined our Program, and they are looking for an Adoptive couple for their Babies to be born:

a) Francisca: 21 years old. Her due date is any day from now to February 28. Her last Ecosonogram showed she is carrying a Baby Girl.

☺ Maria Josefina: 27 years old. Her due date is middle March 2005

c) Yanabel: 18 years old. Her due date is early May 2005.

All their reports are available, and soon we will have their recent pictures too.

Sincerely,

LOPEZ & LOPEZ ASOCS.  
 Carlos Lopez.  
 Int'l. Adoptions Coordinator.
