Contact Us

- Children at Casa Quivira receive loving, private foster care.
- They receive excellent daily medical attention during the adoption process.
- Normal travel time to Guatemala for completion of the adoption procedure is 3-4 days.
- Individuals, as well as families, are eligible for international adoption.
- There are no age minimum or maximum limits for adoptive parents.
- Most adoptions through Casa Quivira are completed in 8-10 months from the time that referral of a child is accepted.
