

Don't be afraid sweet child, God has heard your cry.
Across the ocean, in our hearts, he's placed a love that will not die.

Outreach Programs

RAI makes a positive impact by creating orphanages that offer direct help to children, right where they live.

Through this ministry, we're meeting the needs of homeless and abandoned youngsters by providing a permanent home for them that offers food, love, quality care and education. Our goal is to help them heal, and develop, their bodies, minds and spirits. The children in our current programs, located in **Ukraine, Kenya and Guatemala**, are finally building a foundation for the future, even if they don't find an adoptive family. Help us help them -- we need your support!

Please visit our [Ways to Give](#) page for details on how you can contribute to our Outreach ministry.

In one year, Guatemalan police have publicly executed up to 40 street children and injured hundreds more. The government admits to only 5,000 street children in Guatemala City.
